Channing Tullio			dnr		dnr		18:59	10	

Ouch
The heat made this tough, but we generally had some good racing throughout. We MUST be more consistent for the next two races at Morley. Some of you are just too far off your best. Why aren't we running in groups at the mile mark? Why is there a three second gap? This needs work. Eat and rest. We WILL be ready to race next week.
