- Toothbrush, toothpaste, etc.
- **Your best manners.** This is a school-sponsored trip, which means that anything that you do can affect your status at University City High School. There will be a strictly enforced curfew! You are also a reflection of me, which means that you will have an affect on my ability to keep my job. Let's have a lot of fun and run well.
- Bring some extra \$\$ for any additional food or other purchases that you might want to make.

**\$\$\$ Matters:** This trip will be fully funded by fundraised donations from team members, family members, and friends. Everyone will be required to help in the fundraising efforts, but no one will be denied access to the trip because he or she did not raise any money. We will need to raise approximately \$4,500 to fund this trip. Let's have a fantastic, memorable trip, and a wonderful season.
